Review

I'm weary of reboots. Don't get me wrong, I love new pieces of art when I see them, but some things just need to stay dead and in the past. No, that's not true; some videogames aren't better when they reboot, only prettier. The point is, there's little I love more than classics that haven't been repackaged, refined, and re-released. In some ways we'd prefer this type of remake over remakes for seemingly simple reason: it's called nostalgia, people, and it's not necessarily true, but it's understandable.

For almost 20 years, Konami has worked on reviving the Castlevania series into

----- A new game is based on the classic action RPG ELDEN RING. This change from the classic version of 1.0 has been carried out with much care, and there are many fans' favorite parts in this game. New features of this game: *A large world map that is fully open. *Several large and vast stages that are fully alive with the original story. *A large number of characters, enemies, and NPC lines that can be expressed with rich details. *A large variety of quests and side quests and a large number of battle that offers a new level of excitement. *The ability to combine the weapon and armor of your choice. *Game features with a new standard of eye-catching visuals *Gameplay that will grab your heart! *A new series of quest that is full of charm, and a large number of optional quests that offer a variety of different adventures. *A large variety of accessories and weapons that are both varied and exciting. *Standard features added with in-depth changes *Fully customized appearance *New Story This is a follow-up to the 1.0 version, but enhanced with the development team's expectations. I am sure that there are many ELDEN RING fans who will be very delighted with what is written in the story. As a continuation of the original game, many parts of the

story are made. In addition, this is a game that can be enjoyed even in the event of some old equipment of the original game. Player's has been carried out much more care. As a result, there are many fan favorites in the game. In the new age, much of the new features are added, all the more fun to the story, beyond the original sound. This game has been developed with an excellent eye-catching graphical style. Although many of the characters have been developed to be unique, the past in the original game is integrated into the details and atmosphere, creating a continuing mood that will make the player feel that he or she is in the game. The experience that will be realized with the original game and the game will be fully recreated on the basis of this game, will provide this game to fans of the classic game. This game is the last chapter for the classic ELDEN RING series, allowing the player to enjoy the original feeling of the classic game with a new level of excitement. Please enjoy playing
