ISO 5167 3 Orifice Plates - A: What appears to have worked for me is the following. I posted a screenshot on twitter and imagebin, but those functions are depreciated: What worked for me is the use of this button, which is an under the "upload image" button, on the imagebin website. The program used was the hex editor, displayed in this image: A: This has worked for me: Upload the image to an online site such as Image Share or ImageShack. I recently saved a PDF as a JPG then uploaded it. Download the JPG, right click, select Save as. Save it as a JPG, and now you can download it. I only had to do this with 3 images, but it may work for you. ZGAY ZGAY (89.3 FM) is a radio station serving the Peoria, Arizona, radio market with a Rhythmic Top 40 format. Ownership The station is owned by Troon Broadcasting Corporation, a non-profit corporation. History The station signed on in 1987, but the call letters were altered to ZSJT-FM in 1998 to match its sister station (now AZRAD). The station was launched in the fall of 1987, with a Top 40 format. The station was run by Will Boehns, with the slogan "You're listening to 89.3 ZSJT". In 1990, the station was sold to Troon Broadcasting for \$500,000. The purchase gave Troon its first license to operate a radio station, and ended ZSJT's simulcasting with KQMP. The station's call letters were changed to the current ZGAY. On May 31, 1992, ZGAY began airing a Dance format as "99.9 Z99.9
